6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

To strengthen the societal structure by raising social competence of women through education and to create equal opportunities for higher education to the girls from all socio-economic status.

Mission:

- To ensure that no girl should be deprived of college education in this area.
- To provide, the “state-of-art” education system in the rural area at an affordable cost.
- To promote total personality development of the students by increasing their active participation in such activities.
- To solve problems of self development of students and train them to realize their potentiality for solving problems by themselves.
- To produce such volunteers as can lead educationally deprived classes to college and to become the role model.

6.2 Does the Institution has a management Information System

College has its own website www.mahilaartskadi.org The complete information, rules and regulation, choice of subject and other college related information are provided in the prospects. For any urgency we do have group messaging system on mobile: To inform students/ staff for any activity/program.
