**"Introduction to Historical Research"**

**Date: 19<sup>th</sup> January 2021**

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has Organized Research Methodology Workshop on "Introduction to Historical Research" on 19<sup>th</sup> January 2021. The Research Methodology Workshop on "Introduction to Historical Research" aimed to provide participants with a foundational understanding of historical research methods, techniques, and approaches. The workshop aimed to equip participants with the necessary skills to conduct rigorous and insightful historical research. Total 29 students have attended this workshop. Prof. Jitendrabhai Vihol. and Prof. Sushilaben Goswami were serving as a resource person of this workshop.

#### **Various tips provided for the research work mentioned below:**

1. **Workshop Overview:** The workshop commenced with an introduction to the significance of historical research in academia and society. It emphasized the importance of understanding the past to comprehend the present and make informed decisions for the future.
2. **Key Topics Covered:** Introduction to Historical Research, Definition of historical research, Importance and relevance of historical research in various fields, Understanding the scope and objectives of historical research.
3. **Sources and Data Collection (information)** Primary sources: Types, reliability, and methods of access. Secondary sources: Utilization and critical analysis. Oral history and other unconventional sources.
4. **Interactive Sessions and Activities,** the workshop incorporated interactive sessions and activities to enhance participants' understanding and engagement with the subject matter. These included, Group discussions on case studies of historical research projects. Practical exercises on analyzing historical documents and artifacts. Role-playing scenarios to explore ethical dilemmas in historical research.

### **Participant Feedback:**

Participants expressed appreciation for the comprehensive coverage of topics and the interactive nature of the workshop. They found the practical exercises and case studies particularly valuable in applying theoretical concepts to real-world scenarios. Many participants highlighted the importance of ethical considerations in historical research and the need for sensitivity when dealing with historical narratives.

### **Key Outcomes:**

- Research Project Development
- Understanding of Historical Methodology
- Research Skills

### **Conclusion:**

The Research Methodology Workshop on "Introduction to Historical Research" successfully achieved its objective of familiarizing participants with the fundamentals of historical research. It provided a solid foundation for further exploration and development in the field, empowering participants to conduct meaningful and responsible historical research endeavors.

### **Report of Research Methodology Workshop**

**On**

**"Language and Plagiarism"**

**Date: 25<sup>th</sup> July 2020**

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has organized Research Methodology Workshop on "Language and Plagiarism" on 25 July 2020. the workshop aimed to provide participants with a comprehensive understanding of the role of language in academic research and the ethical considerations surrounding plagiarism. Through interactive sessions and practical exercises, participants were equipped with the knowledge and skills necessary to maintain academic integrity and effectively use language in their research endeavors. Total 30 students have attended this workshop. Prof. Swati Nigam and Prof. Mitus Kadikar were serving as a resource person of this workshop.

#### **Key Objectives:**

Understand the concept of plagiarism and its implications in academic research., Explore the nuances of language use in scholarly writing and communication., Learn techniques for paraphrasing and citing sources properly to avoid plagiarism., Discuss strategies for promoting academic integrity within research communities., Gain insights into the ethical considerations related to language use and plagiarism.

#### **Various tips provided for the research work mentioned below:**

- The workshop comprised a series of sessions, each focusing on different aspects of language and plagiarism in research:
- Introduction to Plagiarism:
- Types of language and plagiarism
- Self-Plagiarism., Understanding citation styles (e.g., APA, MLA), Peer-to-peer learning and knowledge sharing

**Outcome:**

The Research Methodology Workshop on "Language and Plagiarism" successfully achieved its objectives by providing participants with a deeper understanding of the ethical and linguistic aspects of academic research. Participants gained practical skills in avoiding plagiarism, citing sources properly, and maintaining academic integrity throughout their research journey. The interactive nature of the workshop facilitated meaningful discussions and allowed participants to exchange ideas and best practices.

**Future Implications:**

Going forward, participants are encouraged to apply the knowledge and skills gained from the workshop in their research endeavors. By upholding ethical standards and using language effectively, researchers can contribute to the advancement of knowledge while maintaining integrity within their respective fields. Additionally, there is potential for organizing similar workshops in the future to reach a wider audience and further promote academic integrity in research communities.

Total 36 students have attended this workshop. Dr. Varshaben C. Brahmabhatt and Prof. Harsukhbhai H. Parmar were serving as a resource person of this workshop.

Various tips provided for the research work mentioned below:

- Introduction to Research Methodology: The workshop began with an overview of research methodology, emphasizing its importance in the research process. Various research methodologies, including quantitative, qualitative, and mixed methods, were discussed to provide participants with a comprehensive understanding.
- Reviewing literature and theories.
- delimiting the research topic.
- evaluating the research problem.
- Formulating the final statement of research problem.

Feedback sessions provided valuable insights for refining research problem statements and improving problem-solving skills.

**Conclusion:**

The Research Methodology Workshop on "Methodology and Formulation of Research Problem" proved to be highly beneficial in enhancing participants' knowledge and skills in research methodology. By focusing on problem formulation techniques and research design, the workshop equipped participants with the tools necessary to conduct rigorous and impactful research. Overall, the workshop fostered an interactive learning environment and provided valuable insights into the research process.

### RESOLUTION

#### Resolution Title: Organizing Research Methodology Workshops During the Academic Year

Whereas, recognizing the importance of equipping students with essential research methodologies for academic growth; and Whereas, acknowledging the necessity to foster a culture of research excellence within our college; and Whereas, understanding the benefits of providing structured workshops to enhance research skills, methodologies, and scholarly output:

Be it resolved that:

1. The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi shall organize a series of Research Methodology Workshops throughout the academic year.
2. The workshops shall cover a wide range of research methodologies, including but not limited to qualitative, quantitative, mixed-methods, and interdisciplinary approaches.
3. The workshops shall be conducted by experienced faculty members, researchers, and invited experts in respective fields.
4. The content of the workshops shall include, but not be limited to:
  1. Research Design
  2. Language and Plagiarism
  3. Methodology and Formulation of Research Problem
  4. Research Tools of Languages
  5. Reporting Research Work
  6. Research Report Writing
  7. Quantitative Methods and Survey Research
  8. Introduction of Historical Research
  9. Data Analysis
  10. establish methodological connection

5. The workshops shall be structured to accommodate participants from various disciplines and at different stages of their academic careers, including undergraduate students, graduate students.
6. The scheduling of the workshops shall be done in a manner that ensures accessibility to all interested participants.

### Report of Research Methodology Workshop

On

### "Quantitative Methods & Survey Research"

Date: 12<sup>th</sup> Jan. 2020

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has organized Research Methodology workshop on "Quantitative methods & survey research" on 11- 01-2020. The aimed of this workshop was to enhance participants' understanding of quantitative research methods and survey techniques, providing practical insights and skills for conducting robust research in diverse fields. Total 30 students have attended this workshop. Dr. Apexaben N. Pandya and Prof. Mahendrakumar S. Rathod were serving as a resource person of this workshop.

#### Various tips provided for the research work mentioned below:

- Definition and characteristics of quantitative research.
- Comparison with qualitative research methods.
- Importance and applications in various disciplines.
- Research Design: Planning and structuring quantitative research projects., Formulating research questions and hypotheses., Selection of appropriate study designs (experimental, correlational, etc.).
- Overview of survey research methods.
- Sampling techniques and their implications.
- Questionnaire design and development.
- Introduction to statistical analysis techniques.

### **Workshop Format:**

The workshop comprised a combination of lectures, interactive discussions, hands-on activities, and practical exercises. Participants engaged in group activities, case studies, and real-world examples to reinforce their understanding of key concepts.

Distinguished researchers and experts in quantitative methods and survey research were invited to deliver specialized sessions, sharing their expertise and practical insights with the participants.

### **Outcomes:**

- Enhanced understanding of quantitative research methods and survey techniques among participants.
- Acquisition of practical skills for designing, conducting, and analyzing quantitative research projects.
- Networking opportunities and collaboration among participants from diverse disciplines.
- Strengthened research capabilities and potential for high-quality research output.

### **Conclusion:**

The Research Methodology Workshop on "Quantitative Methods & Survey Research" provided a valuable platform for researchers and scholars to acquire essential knowledge and skills in quantitative research. The interactive and comprehensive nature of the workshop facilitated meaningful learning experiences and fostered collaboration across disciplines. The organizers look forward to future workshops and initiatives aimed at advancing research excellence.

The by IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has Organized Research Methodology Workshop on "Reporting Research Work" on 28<sup>th</sup> December 2020, the workshop aimed of enhancing participants' skills in effectively reporting their research findings, writing comprehensive research reports, and crafting high-quality research papers. The workshop focused on providing practical insights, strategies, and tools to aid researchers in effectively communicating their research outcomes. Total 34 students have attended this workshop. Hinaaben M. Patel and Dr. Sangitaben C. Acharya were serving as a resource person of this workshop.

#### Various tips provided for the research work mentioned below:

1. Introduction to Research Reporting, Overview of the importance of research reporting in academia and industry. Understanding the components of a research report and their significance., Discussion on the target audience and the purpose of research reports.
2. Principles of Report Writing: Exploring the principles of clear and concise writing. Techniques for organizing research findings logically, Guidelines for structuring different sections of a research report, including introduction, methodology, results, discussion, and conclusion.
3. Writing Research Papers, Understanding the structure and format of a research paper, Strategies for literature review and citing sources effectively, Tips for writing an engaging abstract and title.
4. Peer Review and Feedback, Importance of peer review in improving the quality of research reports., Providing constructive feedback and receiving feedback from peers., Peer review simulation exercises to evaluate and critique research reports.

5. Ethical Considerations in Research Reporting: Discussion on ethical issues related to research reporting and publication, Understanding plagiarism, authorship guidelines, and conflicts of interest. Ensuring integrity and transparency in research reporting.

**Key outcomes:**

Understanding of Research Reporting Standards, Structure and Components of Research Reports, Ethical Considerations in Reporting Research

**Conclusion:**

The Research Methodology Workshop provided participants with valuable insights and practical skills to enhance their research reporting, report writing, and research paper writing abilities. Through interactive sessions, discussions, and hands-on exercises, attendees gained a deeper understanding of the principles and best practices involved in effectively communicating research findings. The workshop concluded with a renewed commitment from participants to apply the knowledge gained to their future research endeavors.

Overall, the workshop was a success in empowering researchers with the necessary skills and knowledge to produce high-quality research reports and papers.

### Report of Research Methodology Workshop

On

"Research Design"

Date: 18<sup>th</sup> July 2020

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi Organized Research Methodology Workshop on "Research Design" on 18-07-2020. The prime aimed of this workshop was to provide participants with a comprehensive understanding of various research methodologies and techniques. The workshop covered topics ranging from research design to data collection and analysis methods. Total 36 students have attended this workshop. Dr. Varshaben C. Brahmabhai and Prof. Harsukhbhai H. Parmar were serving as a resource person of this workshop.

#### Objective:

The primary objective of the workshop was to enhance participants' understanding of research design principles and methodologies to conduct effective and credible research projects.

Various tips provided for the research work mentioned below:

- Introduction to Research Design: Definition and importance of research design, Different types of research designs (e.g., experimental, correlational, descriptive, etc.).
- Observational design.
- Sampling techniques and sample size determination.
- Operational design.

#### Workshop Methodology:

The workshop employed a combination of lectures, interactive discussions, case studies, and hands-on exercises to facilitate learning and practical application of research

design concepts. Participants were encouraged to actively engage in discussions and apply the concepts learned to real-world research scenarios.

### **Outcome:**

Participants gained a comprehensive understanding of research design principles and methodologies, enabling them to:

- Select appropriate research designs for their research projects.
- Design research studies with clear objectives, variables, and sampling techniques.
- Evaluate the validity and reliability of research findings.
- Adhere to ethical guidelines in conducting research.

### **Conclusion:**

The workshop on research design provided participants with valuable insights and practical skills to enhance the quality and rigor of their research endeavors. By understanding the intricacies of research design, participants are better equipped to contribute meaningfully to their respective fields of study.

### RESOLUTION

#### Resolution Title: Organizing Research Methodology Workshops During the Academic Year

Whereas, recognizing the importance of equipping students with essential research methodologies for academic growth; and Whereas, acknowledging the necessity to foster a culture of research excellence within our college; and Whereas, understanding the benefits of providing structured workshops to enhance research skills, methodologies, and scholarly output:

Be it resolved that:

1. The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi shall organize a series of Research Methodology Workshops throughout the academic year.
2. The workshops shall cover a wide range of research methodologies, including but not limited to qualitative, quantitative, mixed-methods, and interdisciplinary approaches.
3. The workshops shall be conducted by experienced faculty members, researchers, and invited experts in respective fields.
4. The content of the workshops shall include, but not be limited to:
  1. Research Design
  2. Language and Plagiarism
  3. Methodology and Formulation of Research Problem
  4. Research Tools of Languages
  5. Reporting Research Work
  6. Research Report Writing
  7. Quantitative Methods and Survey Research
  8. Introduction of Historical Research
  9. Data Analysis
  10. establish methodological connection

5. The workshops shall be structured to accommodate participants from various disciplines and at different stages of their academic careers, including undergraduate students, graduate students.
6. The scheduling of the workshops shall be done in a manner that ensures accessibility to all interested participants.

The, Maniben M. P. Shah Mahila Arts College, Kadi has organized Research Methodology Workshop on ~~Research Report Writing~~ on 05<sup>th</sup> January 2021. The prime aimed of this workshop was to enhance the participants' understanding and skills in crafting effective and comprehensive research reports. The workshop aimed to provide participants with practical knowledge and tools to produce high-quality research reports that adhere to academic standards and effectively communicate research findings. Total 30 students have attended this workshop. Prof. Dharmendrabhai K. Chaudhary and Dr. Mahendra Jadav were serving as resource person of this workshop.

Various tips provided for the research work mentioned below:

1. Introduction to Report Writing: Definition and importance of research reports. Key components and structure of a research report. Different types of research reports (e.g., empirical studies, literature reviews, case studies) and their characteristics.
2. Planning and Importance of Research Report Writing. Preparing a research report outline. Setting clear objectives and research questions, Developing a coherent and logical flow of information.
3. Writing Style and Language: Clarity, conciseness, and precision in writing. Avoiding jargon and technical language. Using appropriate language for the target audience. Importance of peer review and feedback. Strategies for revising and improving the report. Proofreading and editing techniques.

### **Key Outcomes:**

- Participants gained a deeper understanding of the importance of effective report writing in research.
- Improved skills in planning, organizing, and structuring research reports.
- Enhanced ability to present data and analyze findings accurately and comprehensively.
- Increased proficiency in using appropriate writing style and language for research reports.
- Familiarity with citation and referencing guidelines, and strategies to avoid plagiarism.
- Practical experience through exercises and case studies, facilitating hands-on learning.

### **Conclusion:**

The Research Methodology Workshop on "Report Writing in Research" provided participants with valuable insights and practical skills to enhance their report writing capabilities in the realm of research. By focusing on key principles, techniques, and practical exercises, the workshop equipped participants with the tools necessary to produce high-quality research reports that contribute meaningfully to their respective fields of study. Overall, the workshop was a success in fulfilling its objectives and empowering participants with essential skills for effective report writing in research.

### **Report of Research Methodology Workshop**

**On**

**"Research Tool of Language"**

**Date: 29<sup>th</sup> August 2020**

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has organized Research Methodology Workshop on "Research Tools of Language" on 29<sup>th</sup> August 2020. the prime aimed of this workshop was to provide participants with insights into various research methods and tools used in linguistic studies. The workshop aimed to enhance participants' understanding of methodologies relevant to language research and equip them with practical skills to conduct effective research in the field. Total 33 students have attended this workshop. Prof. Swati Nigam and Prof Milan Kadikar were serving as a resource person of this workshop.

**Various tips provided for the research work mentioned below:**

1. Introduction to Research Methodology in Linguistics: The workshop began with an overview of research methodology in linguistics, covering different approaches, methodologies, and paradigms employed in language research. Participants gained an understanding of the importance of selecting appropriate research methods based on their research questions and objectives.
2. Corpus Linguistics and Text Analysis: Corpus linguistics emerged as a significant topic during the workshop, highlighting the use of linguistic corpora for empirical analysis of language data. Participants explored various tools and techniques for building and analyzing linguistic corpora, as well as conducting text analysis for linguistic research purposes.
3. Speaking, writing, listening, reading.

### **Conclusion:**

The Research Methodology Workshop on "Research Tools of Language" provided participants with a comprehensive understanding of research methodologies and tools relevant to language studies. Through a combination of theoretical discussions and practical exercises, participants gained valuable insights and skills necessary for conducting rigorous and ethical research in the field of linguistics. The workshop successfully fulfilled its objective of enhancing participants' research capabilities and fostering a deeper appreciation for the complexities of language research methodology.

### Report of Research Methodology Workshop

On

"Social Sciences" <sup>11</sup> Data Analysis

Date: 15<sup>th</sup> Dec. to 17<sup>th</sup> Dec, 2020

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has Organized Research Methodology Workshop on ~~Data Analysis~~ on 15<sup>th</sup> Dec. to 17<sup>th</sup> Dec. 2020. The prime aimed of this Workshop was to provide to equip participants with essential tools and techniques for conducting research in the field of social sciences effectively. It sought to enhance their understanding of various research methods and methodologies, ensuring their competence in designing, executing, and analyzing research projects. Total 47 students have attended this workshop. Dr. Sangitaben C. Acharya, Dre. Hinaben M. Patel, Prof. Dharmendrabhai K. Chaudhary, Prof. Jitendrabhai D. Vihol and Prof. Sushilaben Goswami were serving as a resource person of this workshop.

Various tips provided for the research work mentioned below:

1. Introduction to Research Methodology: The workshop began with an overview of research methodology, emphasizing its significance in social sciences. Participants gained insights into the fundamental concepts, types of research, and the importance of formulating research questions.
2. Data Analysis: The workshop delved into various techniques for data analysis, such as descriptive statistics, inferential statistics, content analysis, and thematic analysis. Participants acquired hands-on experience with popular statistical software and qualitative data analysis tools, enhancing their analytical skills.
3. Questionnaire Preparation: The workshop delved into the intricacies of questionnaire design, emphasizing the importance of clear, concise, and unbiased questions. Participants learned about various types of questions, response scales, and techniques to enhance the reliability and validity of the questionnaire.

4. **Preparing Research Proposal:** Participants were guided through the essential components of a research proposal, such as the introduction, literature review, research objectives, methodology, timeline, and budget considerations. Practical tips for writing a compelling and coherent proposal were provided.

### **Future Directions:**

To further support researchers in social sciences, future workshops could explore advanced topics such as longitudinal studies, mixed-methods research designs, and innovative data analysis techniques. Additionally, incorporating case studies and interactive exercises can enhance participants' learning experience and facilitate knowledge application in real-world research settings.

### **Key Outcomes:**

Social sciences aimed to provide insights into human behavior, including individual actions, group dynamics, cultural norms, and societal structures.

### **Conclusion:**

The Research Methodology Workshop in Social Sciences provided participants with a comprehensive understanding of research methodologies and equipped them with practical skills necessary for conducting rigorous and ethical research in the field. By fostering collaboration, critical thinking, and methodological competence, the workshop empowered participants to contribute meaningfully to the advancement of knowledge in social sciences.

### RESOLUTION

#### Resolution Title: Organizing Research Methodology Workshops During the Academic Year

Whereas, recognizing the importance of equipping students with essential research methodologies for academic growth; and Whereas, acknowledging the necessity to foster a culture of research excellence within our college; and Whereas, understanding the benefits of providing structured workshops to enhance research skills, methodologies, and scholarly output:

Be it resolved that:

1. The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi shall organize a series of Research Methodology Workshops throughout the academic year.
2. The workshops shall cover a wide range of research methodologies, including but not limited to qualitative, quantitative, mixed-methods, and interdisciplinary approaches.
3. The workshops shall be conducted by experienced faculty members, researchers, and invited experts in respective fields.
4. The content of the workshops shall include, but not be limited to:
  1. Research Design
  2. Language and Plagiarism
  3. Methodology and Formulation of Research Problem
  4. Research Tools of Languages
  5. Reporting Research Work
  6. Research Report Writing
  7. Quantitative Methods and Survey Research
  8. Introduction of Historical Research
  9. Data Analysis
  10. establish methodological connection

5. The workshops shall be structured to accommodate participants from various disciplines and at different stages of their academic careers, including undergraduate students, graduate students.
6. The scheduling of the workshops shall be done in a manner that ensures accessibility to all interested participants.

"Establish methodological connection"

Date: 03<sup>rd</sup> Dec. to 05<sup>th</sup> Dec. 2020

The IQAC, Maniben M. P. Shah Mahila Arts College, Kadi has Organized Research Methodology Workshop on "Languages" on: 03<sup>rd</sup> Dec. to 05<sup>th</sup> Dec. 2020. The objective of the workshop was to provide participants with comprehensive knowledge and practical skills in various aspects of research methodology, including identifying research areas, crafting research proposals, designing questionnaires, collecting and analyzing data, and writing research papers. Total 49 students have attended this workshop. Dr. Varshaben C. Brahmbhatt, Prof. Harsukhbhai Parmar, Prof. Swati Nigam and Prof Milanbhai Kadikar were serving as a resource person of this workshop.

Various tips provided for the research work mentioned below:

- **Finding Research Area:** The workshop commenced with a discussion on strategies for identifying research areas, including literature review techniques, brainstorming, and exploring current trends and gaps in the field.
- **Preparing Research Proposal:** Participants were guided through the essential components of a research proposal, such as the introduction, literature review, research objectives, methodology, timeline, and budget considerations. Practical tips for writing a compelling and coherent proposal were provided.
- **Questionnaire Preparation:** The workshop delved into the intricacies of questionnaire design, emphasizing the importance of clear, concise, and unbiased questions. Participants learned about various types of questions, response scales, and techniques to enhance the reliability and validity of the questionnaire.
- **Data Collection Methods:** Different data collection methods, including surveys, interviews, observations, and archival research, were discussed. Participants gained

insights into selecting the most appropriate method based on their research objectives, population, and resources.

- **Data Analysis:** An overview of data analysis techniques, including qualitative and quantitative methods, was provided. Participants learned about software tools such as SPSS, NVivo, and Excel for data management and analysis. Hands-on exercises were conducted to reinforce learning.
- **Writing Research Paper:** The workshop concluded with a session on effective research paper writing. Participants were introduced to the structure of a research paper, including the title, abstract, introduction, methodology, results, discussion, and conclusion. Tips for enhancing clarity, coherence, and scholarly rigor were shared.

### **Methodology:**

The workshop employed a combination of lectures, interactive discussions, hands-on exercises, and case studies to facilitate learning. Participants were encouraged to actively engage with the material and seek clarification on any concepts or techniques.

### **Outcome:**

By the end of the workshop, participants demonstrated a heightened understanding of research methodology concepts and acquired practical skills that can be applied to their own research endeavors. They expressed confidence in their ability to identify research areas, develop robust research proposals, design effective questionnaires, collect and analyze data, and write scholarly research papers.

### **Conclusion:**

The Research Methodology Workshop provided a valuable platform for researchers to enhance their methodological expertise and foster a culture of rigorous and ethical research practices. The knowledge and skills gained during the workshop are expected to contribute to the quality and impact of participants' future research endeavors.
