## **Report on College Campus and Classroom Cleaning Drive.**

Organized by: Department of NCC, Maniben M.P. Shah Mahila Arts College, Kadi

Date: 26th September 2023

Venue: College Campus, Maniben M.P. Shah Mahila Arts College, Kadi

Total Cadets Participating: 40

### **Introduction:**

On 26th September 2023, the NCC Department of Maniben M.P. Shah Mahila Arts College, Kadi, organized a campus and classroom cleaning drive. This event was a part of the Swachh Bharat Abhiyan, aimed at promoting cleanliness and hygiene within educational institutions.

### **Objectives:**

- To maintain cleanliness and hygiene in the college campus and classrooms.
- To create awareness among students about the importance of a clean and healthy environment.
- To instill the values of discipline and community service among the NCC cadets.

### **Participation:**

A total of 52 NCC cadets actively participated in the cleaning drive. The event also saw the involvement of faculty members, who guided the cadets and ensured the smooth execution of the activity.

### **Activities:**

#### **1. Briefing Session:**

The event began with a briefing session where the NCC officers explained the significance of cleanliness and outlined the tasks to be performed. The cadets were divided into groups, each assigned to specific areas of the college campus and classrooms.

#### **2. Campus Cleaning:**

The cadets, equipped with cleaning tools, thoroughly cleaned various parts of the campus, including the gardens, pathways, and common areas. Litter was collected, and proper disposal methods were followed.

#### **3. Classroom Cleaning:**

Special attention was given to cleaning the classrooms. The cadets dusted the furniture, cleaned the blackboards, and ensured the floors were spotless. Windows and doors were also wiped clean.

#### 4. Waste Management:

The collected waste was segregated into biodegradable and non-biodegradable categories. The biodegradable waste was appropriately disposed of in compost pits, while non-biodegradable waste was sent for recycling.

#### 5. Awareness and Reflection:

After the cleaning activities, the cadets gathered for a reflection session where they shared their experiences and insights. Faculty members emphasized the importance of maintaining cleanliness as an ongoing responsibility and not just a one-time event.

#### Outcome:

The cleaning drive was highly successful, with the campus and classrooms left spotless and hygienic. The event also served as a practical lesson in environmental responsibility for the cadets, reinforcing the values of cleanliness and community service.

#### Conclusion:

The NCC Department of Maniben M.P. Shah Mahila Arts College, Kadi, successfully conducted the campus and classroom cleaning drive on 26th September 2023. The active participation of the cadets and the dedication displayed by all involved contributed to the success of the event. The department plans to hold regular cleaning drives to sustain the cleanliness of the college premises and to continue promoting the Swachh Bharat Abhiyan.

# Report ON

## Tree Plantation Drive and Distribution of Tulsi Seeds: July 1, 2023

On July 1, 2023, a significant environmental initiative was undertaken through a collaborative effort involving DivyaBhaskar newspaper, the Rotary Club of Kadi, and Maniben M.P. Shah Mahila Arts College in Kadi. This event aimed at promoting environmental consciousness and the benefits of medicinal plants through the plantation of trees and the distribution of Tulsi seeds. A total of 70 students and several professors actively participated in the event, highlighting the community's commitment to ecological sustainability.

### ### Event Organization and Coordination

The event was meticulously organized by the administration of Maniben M.P. Shah Mahila Arts College, in collaboration with the Rotary Club of Kadi and DivyaBhaskar newspaper. The primary objective was to raise awareness about the importance of trees in combating climate change and to encourage the use of medicinal plants like Tulsi, known for its numerous health benefits.

The preparations for the event began weeks in advance, with the college administration coordinating with the Rotary Club and DivyaBhaskar to ensure the availability of saplings and Tulsi seeds. The college grounds were chosen as the venue for the plantation drive, and specific areas were earmarked for planting different types of trees.

### ### Participation and Activities

On the day of the event, 70 enthusiastic students gathered at the college grounds, eager to contribute to the cause. Professors and other staff members also joined in, showcasing a strong sense of community and collective responsibility towards the environment. The event began with an informative session conducted by representatives from the Rotary Club and DivyaBhaskar, emphasizing the significance of trees in maintaining ecological balance and the medicinal properties of Tulsi.

The students were divided into groups, each led by a professor or a Rotary Club member, to ensure systematic planting. Saplings of various indigenous tree species were planted across the college campus. The participants were guided on proper planting techniques and the importance of nurturing the saplings post-plantation. The excitement and dedication of the students were palpable as they meticulously planted each sapling, understanding that they were contributing to a greener future.

### ### Distribution of Tulsi Seeds

Following the tree plantation activity, Tulsi seeds were distributed to all participants. The distribution was aimed at encouraging the students and faculty to grow Tulsi plants at their homes, further promoting the idea of incorporating medicinal plants into daily life. The Tulsi plant, revered in Indian culture for its therapeutic properties, was highlighted as an easy-to-grow herb with numerous health benefits.

The representatives from DivyaBhaskar elaborated on the benefits of Tulsi, including its role in boosting immunity, reducing stress, and its use in traditional medicine. The students were enthusiastic about the initiative and committed to planting the seeds in their gardens or pots at home. This activity not only educated the participants about the medicinal value of

Tulsi but also instilled a sense of responsibility towards preserving and promoting indigenous plant species.

### ### Conclusion and Impact

The tree plantation drive and Tulsi seed distribution event at Maniben M.P. Shah Mahila Arts College, Kadi, was a resounding success. The active participation of students and professors demonstrated a strong community effort towards environmental conservation. The event not only resulted in the planting of several saplings but also educated the participants about the importance of trees and medicinal plants.

This initiative by Divya Bhaskar, in association with the Rotary Club of Kadi, set a precedent for future environmental activities. It highlighted the crucial role that educational institutions and community organizations play in fostering ecological awareness and sustainable practices. The event also underscored the importance of individual contributions to environmental conservation, with each participant taking home a Tulsi plant to nurture and benefit from its medicinal properties.

Overall, the event was a step forward in creating a greener, healthier environment and promoting the sustainable use of natural resources, reinforcing the idea that collective efforts can lead to significant positive changes in our ecosystem.

# REPORT ON

## Here's a plan for the Tree Plantation event at Maniben M P Shah Mahila Arts College, Kadi in collaboration with the Rotary Club of Kadi on 01-07-2023:

### Event Name: "Go Green Initiative"

Objective: To promote environmental conservation and sustainability by planting trees on the college campus.

Date: 01-07-2023

Time: 10:00 AM - 12:00 PM

Venue: Maniben M P Shah Mahila Arts College, Kadi

### Participants:

- Students, Faculty, and Staff of Maniben M P Shah Mahila Arts College, Kadi
- Members of the Rotary Club of Kadi

### Agenda:

1. Inauguration and welcome (10:00 - 10:15 AM)
2. Tree plantation ceremony (10:15 - 11:30 AM)
  - Planting of trees by participants
  - Explanation of the importance of tree plantation
3. Speeches and awareness session (11:30 AM - 12:00 PM)
  - Speech by Rotary Club representative on environmental conservation
  - Speech by college representative on sustainability initiatives

### Activities:

- Tree plantation ceremony
- Awareness session on environmental conservation and sustainability
- Distribution of saplings to participants

### Pre-Event Preparation:

- Coordination with the Rotary Club of Kadi
- Selection of tree species and procurement of saplings
- Preparation of the college campus for tree plantation
- Promotion of the event through posters, social media, and announcements

### Post-Event Follow-up:

- Sharing of event photos and outcomes on social media and college website
- Encouragement of students, faculty, and staff to care for the planted trees
- Planning of future sustainability initiatives and events

**Report on**  
**Here's a plan for the Cleanliness Campaign at Maniben M P Shah Mahila Arts College, Kadi on 29-9-2023:**

**Campaign Name: "Swachh Campus Abhiyan"**

**Objective:** To maintain a clean and hygienic college campus, promoting a healthy environment for students, faculty, and staff.

**Date: 29-9-2023**

**Time: 10:00 AM - 1:00 PM**

**Venue: College Campus**

**Participants:** Students, Faculty, and Staff of Maniben M P Shah Mahila Arts College, Kadi

**Agenda:**

1. Inauguration and awareness session (10:00 - 10:30 AM)
2. Cleanliness drive (10:30 AM - 12:30 PM)
  - Division of participants into teams for different areas of the campus
  - Cleaning of classrooms, corridors, canteen, library, and toilets
  - Removal of waste and disposal
3. Refreshments and encouragement (12:30 - 1:00 PM)

**Activities:**

- Cleaning of the campus, including classrooms, corridors, canteen, library, and toilets
- Removal of waste and disposal
- Awareness session on importance of cleanliness and hygiene
- Encouragement and appreciation for participants

**Pre-Campaign Preparation:**

- Promotion of the campaign through posters, social media, and announcements
- Coordination with college authorities and faculty members
- Arrangement of necessary cleaning materials and equipment
- Division of participants into teams for different areas of the campus

**Post-Campaign Follow-up:**

- Sharing of campaign photos and outcomes on social media and college website
- Encouragement of students, faculty, and staff to maintain cleanliness
- Planning of regular cleanliness drives to reinforce the habit.

# Tree Plantation at the College Campus

April 18, 2024

On April 18, 2024, Maniben M.P. Shah Mahila Arts College, Kadi, Organized a Significant Tree Plantation drive on the College Campus, Reflecting their Commitment to Environmental Sustainability. The event was a collaborative effort that brought together 12 enthusiastic students and the entire staff of the college. The collective participation of staff members demonstrated the institution's dedication to fostering a greener and healthier environment.

Under the guidance of N.S.S. Program Officer Professor H.H. Parmar, the tree plantation drive aimed to not only enhance the campus's natural beauty but also to instill a sense of responsibility towards nature among the students and staff. The event was meticulously planned and executed, ensuring that each participant actively contributed to the planting and nurturing of the trees.

This initiative is part of the college's broader efforts to promote environmental awareness and sustainability. By engaging students and staff in such activities, the college reinforces the importance of Environmental stewardship, encouraging everyone to contribute positively to the planet's future. The Tree Plantation drive at Maniben M.P. Shah Mahila Arts College is a testament to the institution's Ongoing Commitment to Ecological Conservation and the well-being of the Community.

### NOTICE

#### Ban on Plastic

Now a day, mother earth is facing many environmental concerns, plastic pollution being one of them. As we all know that plastic bags are non-biodegradable and it pollutes our environmental very badly. With the goal to make our college campus Plastic Free, plastic ban and awareness board are displayed in the campus.

To be a step towards green and clean campus, all stakeholders, staff members and students are hereby informed that the use of **Plastic Bag** less than 50 microns is **STRICTLY** banned in the campus.

Your co-operation is highly appreciated.

### NOTICE

#### Entry Restriction to Heavy Noise Vehicles

Noise pollution is causing significant environmental problem everywhere. Movement of heavy noise vehicles, pressure horns and defective silencer noises in the campus creates the noise pollution and disturb the classes. Keeping this in mind, college authority invoked to **ban movement of heavy sound vehicle in the campus** for all stakeholders, staff and students.

All are requested to be the part of this awareness campaign. Your co-operation is highly appreciated.

### NOTICE

#### Free Parking for Battery Powered Vehicle and Bicycle

We all are aware of the problems of pollution arising due to usage of petrol and diesel vehicles. The exhaust gases from the cars and bikes are increasing the problem of asthma, stress and also add to greenhouse effect. We can take a step for sustainable environment by using bicycles and battery powered vehicles. The college administration has facilitated **Free Parking** for bicycles and battery powered vehicles in college campus.

This will help to create awareness among all stakeholders and students as well as balance the environment to some extent.

### ENVIRONMENT POLICY

The relationship between the Maniben M.P.Shah Mahila Arts College, Kadi and nature is a long and enduring one, something that students and staff of the college are aware of. The buildings of this educational institution situated in Kadi taluka of Mehsana district, North Gujarat. Since 1991, the college has always had sustainable initiatives at the core of all activities. 25% of the 10 acre lush campus in the Diplomatic Enclave has been built up. The rest of the campus can be categorized as playgrounds, lawns and gardens. A huge area is left in its natural form and acts as a natural habitat for biodiversity and a large variety of species of grasses, herbs, shrubs and trees. The Green Campus and Environment Conservation Policy encourage students and staff to take the lead in creating positive change toward the conservation of the Environment. These initiatives call for a thorough review of all infrastructural, and administrative functions from the standpoints of energy efficiency, sustainability and the environment.

#### Objectives of the Policy

- To conserve energy and water resources within the campus by ensuring technological interventions, reduction in consumption, and creating awareness among staff and students.
- To fulfil the responsibility as a stakeholder by indulging in outreach activities for social development.
- To indulge with the local community to raise awareness about environmental issues and promote good practices for the safety of the environment.
- To practice and promote the 4 R principles of Reduction, Reuse, Recycle and Recover.
- To ensure the conservation of biodiversity within and around the college campus.
- To regularly carry out self-assessments to monitor our progress in cleanliness and sanitation management, greenery management, energy conservation, and water conservation.
- To invite certified external agencies to regularly conduct Environment, Green, and Energy audits.
- To participate in government programs to make the campus plastic free and implementing policy on E-governance to minimize the use of paper.
- To improve the infrastructure on campus for maximum energy conservation, water conservation, and making campus disable friendly.
- To provide a barrier-free environment to differently-abled students and faculty

The focus areas of this policy are:

## 1. Green Audits :

To assess the college's contributions to a sustainable future, colleges can conduct green audits to determine the types and volumes of waste they produce. These audits can help colleges identify ways to improve their environmental practices, such as recycling projects, waste minimization plans, and reducing resource usage.

## 2. Promoting sustainable resource use:

Colleges can promote sustainable resource use on campus and beyond by defining priority areas and methods for implementing, managing, and evaluating environmental plans. These plans may include reducing energy and raw material consumption, and protecting and conserving ecological systems and resources.

### a. Green Campus Initiatives:

- To promote beautification of college campus through landscaping
- Minimizing the use of packaged food
- Ban the use of plastic
- Organize tree plantation drives

### b. Alternative sources of Energy and Conservation Measures:

- Reduce energy consumption by switching off all electrical devices when not in use.
- Phase out all high energy consuming lights by replacing them with LED lights.
- Refrain from using air conditioners except where necessary and at energy efficient temperatures.
- Support staff to take round to check and shut down electrical devices if on active mode.

### c. Water conservation:

- Install rainwater harvesting system in the college.
- Install sanitary pad incinerators in girls' room.
- Install waste segregation systems in the college.
- Instal Open Well recharge/ Borewells

### d. Management of Degradable and Non-degradable Waste o Solid Waste Management:

- Maintaining leak proof taps, Regular rounds by the caretaker to take immediate steps to stop any water leakage through taps, pipes, tanks, toilet flush, etc.
- Minimizing the use of water by constructing efficient toilets.
- Extra/unused water to be poured to the plants/trees in the college campus.
- Display boards near washrooms and water coolers to create awareness about water conservation.

### 3. Involving students/ Staff/ Community:

- Colleges can involve students in environmental sensitivity programs and activities, such as developing technologies for reducing, reusing, and recycling waste. Colleges can also encourage students to use public or college transportation systems and vehicle pooling
- To organize workshops/webinars for students and faculty members regularly.
- Encourage student clubs to hold tree plantation events
- To proactively hold regular cleanliness drives within the campus and motivate students and staff members to conduct workshops, activities, and programs to promote the importance of cleanliness and sanitation.
- Participation in the activities under Swachh Bharat Abhiyan with the help of services provided by NSS and NCC.
