To,  
The Registrar  
Hemchandracharya North Gujarat University  
Patan, Gujarat

Subject: To send Feedback Analysis Reports and Action Taken Reports For the Academic Year-2023-24

Dear Sir/Madam,

With reference to above subject, IQAC of Maniben M. P. Shah Mahila Arts College, Kadi has diligently collected feedback from various stakeholders like students, alumnus, employers, teachers. These feedbacks are invaluable for assessing the current state of affairs and identifying areas for improvement. We believe that constructive feedback from stakeholders is essential for maintaining and enhancing the quality of education and overall institutional performance.

The feedback analysis reports, along with the corresponding action taken reports, play a crucial role in demonstrating our commitment to continuous improvement and transparency. It is imperative for us to understand the suggestions and concerns raised by our stakeholders and to take appropriate actions to address them effectively.

Therefore, we kindly request that the Registrar's office provides us with the feedback analysis reports and action taken reports compiled by the IQAC. These reports will not only help us in gauging the effectiveness of our existing processes but also aid in devising strategies for further enhancement.

We assure you that the insights gained from these reports will be utilized to implement targeted interventions and initiatives aimed at improving various aspects of our institution. We are eager to collaborate with the university administration in fostering a culture of quality assurance and continuous improvement.

We sincerely appreciate your attention to this matter and anticipate a favorable response.

Thank you for your cooperation and support.

Yours faithfully,

  
Principal

## **Feedback and action taken report (A.Y.-2023-24)**

### **Introduction**

Feedback is an essential element of the learning process. The college collects the feedback on various curriculum aspects and courses from different stakeholders such as the students, alumni, Teachers' and Employers. The feedback collected from the individuals has been analyzed and taken to the consideration for the development of curriculum, teaching learning process and academic environment.

### **Students' Feedback**

The Students' Feedback on curriculum and teaching learning process at Maniben M. P. Shah Mahila Arts College, Kadi campus is designed to get formative feedback from students that can be used towards the improvements in the quality of course delivery as well as student learning experiences. Majority of the student population agreed that the syllabus is very much challenging and the teaching methodologies adopted in the classroom are praiseworthy. Majority of the students strongly agreed that the syllabus is covered by the teachers on time.

### **Feedback analysis report**

- The analysis of the students' feedback clearly depicts that they are well satisfied with the curriculum delivery and revision.
- The students highly appreciated the academic and infrastructural facilities.
- It is observed from the students' feedback that few of them expressed the need of more ICT facilities.

### **Action Taken**

- More smart and experiential leaning and approach to competitive exams.
- More competitive exams guidance and career guidance lectures were conducted and a lot of reading material on these areas is included in library.
- Students are made aware of these facilities during Orientation Programs in the beginning.
- Teachers are asked to undertake more experiential teaching learning process.
- Teachers are also using PowerPoint presentations for enhancing teaching learning experience.
- Slow learners and advanced learners are given more attention according to their needs.
- Extension activities for social and environment sensitization are conducted.
- Placement and guidance cell has been strengthened.

## **Teachers' Feedback**

Feedback on various aspects of curriculum is sought from all the faculty members of the college campus. The aspects such as provision of adequate time and resources for delivery of syllabus, coverage of both theoretical and practical components in the syllabus, the coherence of the syllabus with program outcomes, focus on necessary technical and teaching skills, ensuring components that inculcate ethical values, focus on flexible curriculum based on current trends, updated elective courses etc. The teachers play a pivotal role in delivery and implementing the curriculum, the inputs received from their feedback was taken into consideration for further necessary action wherever applicable.

### **Feedback analysis report**

- The analysis of the teachers' feedback reflects the adequacy and availability of teaching-learning facilities.
- The feedback from the teachers revealed the validity and adequacy of the syllabus.
- It is quite helpful in reframing the course content according to the societal needs.

### **Suggestions from students**
