## PSOs of BA with Sociology

### Program Specific Outcomes (PSOs) for a BA in Sociology:

#### PSO1. Sociological Knowledge and Critical Thinking

Graduates will develop a comprehensive understanding of key sociological concepts, theories, and principles, enabling them to analyze and critically evaluate social structures, institutions, and relationships.

#### PSO2. Research and Analytical Skills

Graduates will acquire qualitative and quantitative research skills, enabling them to design, conduct, and analyze sociological research, and draw evidence-based conclusions on contemporary social issues.

#### PSO3. Social Awareness and Ethical Responsibility

Graduates will cultivate social sensitivity, ethical responsibility, and an understanding of diversity, social justice, and human rights, fostering empathy and promoting inclusivity in society.

#### PSO4. Application of Sociological Knowledge

Graduates will be equipped to apply sociological perspectives to address social problems and challenges in areas such as education, health, development, and public policy.

#### PSO5. Career Readiness and Lifelong Learning

Graduates will develop transferable skills like critical thinking, problem-solving, teamwork, and effective communication, preparing them for careers in social work, research, public administration, community development, and higher studies.
